

OPTIMUM BOOTH SOLUTIONS

Norvell's Award Winning **Optimum Solutions** give salon owner's the ability to use the solutions they know & love for handheld in their booths! These products are designed for professional use only in any automated spray tan booth regardless of manufacturer.

4 PURPOSEFUL PACKAGING

- Norvell offers all shades in 128 fl oz. Keep these stored in a cool environment, unexposed to heat & light to ensure you spray the most active solution possible.

1 NATURAL COLOR COMPLEX

- PREVENTS:** Tomato Seed Extract helps prevent signs of aging and enables oxygen absorption in the skin.
- SMOOTHS:** Vitamin C helps stimulate collagen to tighten and smooth the skin.
- BLOCKS:** Vitamin E helps block free radicals from the skin to reduce wrinkles and keep the skin youthful looking.
- HYDRATES:** Aloe Barbandensis Leaf Extract moisturizes the skin to help with anti-aging.

3 SAY GOODBYE TO THE SMELL

- Norvell formulates with break-through odor control technology, Ordenone®, designed to virtually eliminate the odor commonly caused by sunless tanning products by encapsulating malodor molecules.

2 ALL ABOUT THAT BASE

- All your sunless tans are based on the client's base skin color plus the active ingredient in the spray tan solution, DHA.
