## CLEAR SELF-TANNING WATER MOUSSE

**Norvell Clear Self-Tanning Water Mousse** contains no instant bronzers and is designed to give a natural tan that develops gradually throughout the day. This smooth and lightweight mousse is easy to use anytime, anywhere to create a bronze glow or extend the life of a spray tan – with no bronzer color transfer. The highest quality of naturally derived DHA, potent antioxidants and rich moisturizers are carefully blended for a radiant complexion – because healthy skin tans best!

### BOLD COLOR RESULTS

Norvell is one of the largest users of DHA in the world. We test each batch to ensure quality and freshness for peak product performance. Our products are expertly crafted to prevent any orange undertones for the most natural-looking tan. Color will gradually develop over 24 hours with this bronzer-free, DHA only.

### NATURAL COLOR COMPLEX™

Our proprietary infusion of skin-loving ingredients.

- **ANTI-AGING** – Vitamin E and Tomato fruit extract help reduce wrinkles and prevent signs of aging.
- **TIGHTENS & FIRMS** – Vitamin C stimulates collagen to help improve skin elasticity and firmness.
- **SMOOTHES & HYDRATES** – Aloe Vera Barbadensis Leaf Juice is a moisturizing anti-oxidant that soothes and balances the skin to be more radiant.

### SAY GOODBYE TO UNPLEASANT ODORS

Specially formulated with Ordenone®, a powerful odor-neutralizing ingredient, it effectively encapsulates and virtually eliminates odors commonly associated with self-tanning. It is infused with the delightful fragrance of Raspberry Almond (Nut-Allergy-Free).

**TAN DEVELOPS THROUGHOUT THE DAY.  
CLEAR BRONZER-FREE WITH NO COLOR TRANSFER.
