

Accelerator

The Mystic Tan Accelerator balances the skin's pH levels to ensure even and deep tan results. The ingredients help to speed up development so your tanner sees color faster. Accelerator increases skin hydration and moisture, and contains antioxidants to help reduce free-radical damage and environmental stress.

Accelerator quickens tan development allowing tanners to see color faster. It may be possible to shower sooner, but the recommended minimum of 4-8 hours is still suggested.

Sizes Available: 8.5 fl. oz (250ml)

SKU: 403161

Scent: Fragrance Free

Average Sessions Per Pouch: 62

We recommend including Accelerator in the session price as it ensures best results!
