

TAN SOLUTION

**CREATES A NATURAL,
BRONZE TONE**

Give clients a natural-looking base tan that can be further customized with bronzers, scents and skincare treatments. When combined with Activate, Mystic Tan Solution will leave skin feeling supple and hydrated, while also providing a beautiful, bronze tone.

FEATURES & BENEFITS

- Naturally derived Dihydroxyacetone (DHA) transforms the color of skin to a deep, natural bronze tan
- Naturally derived Erythrulose helps to provide a longer-lasting, deeper tan
- D-Odor 200 dramatically reduces the common spray tan odor
- Tri-Hydration Technology deeply moisturizes skin and instantly improves skin appearance
- Made with natural, cruelty-free, paraben-free, 100% vegan, and non-comedogenic ingredients.

THE TECHNOLOGY

Mystic Tan and Activate Solutions combine to create a natural, bronze glow with naturally derived, skin-loving ingredients. Clients can choose from 12 base tan levels that can be further customized with bronzers, scents and skincare treatments.

THE RESULT

A natural, bronze tone

SPRAY TAN CARE

- Wear loose, dark clothing to spray tan appointment to prevent color transfer while tan develops
- Avoid showering or getting wet (including sweating) for at least 6 hours post-spray tan
- Full spray tan results will be visible in 24-48 hours
- To extend results, moisturize daily after first post-tan rinse
- Avoid scrubbing, harsh soaps or exfoliating until ready to remove spray tan
