

Norvell Clear Self-Tanning Drops

Customize your glow! Designed for all skin tones, these naturally derived self-tanning drops let you add a little or a lot of color to your skin. Mix with your favorite facial or body moisturizer for a customizable glow. Formulated with Tri-Hydration ingredients, these smooth drops help to provide an extra boost of moisture to your skin.

MAXIMIZE TANNING RESULTS

- Designed clear, get a gradual tan that will last up to 1 week.
- No color transfer.
- Add more drops to your moisturizer for darker results.

BEST RESULTS

In the palm of your hand, add 2-12 drops into your daily facial or body moisturizer and mix.

SAY GOODBYE TO THE SMELL

Norvell formulates with breakthrough odor control technology, Ordenone®, designed to virtually eliminate the odor commonly caused by sunless tanning products.

NATURAL COLOR COMPLEX CARES FOR THE SKIN IN FOUR WAYS:

- **PREVENTS** - Tomato Fruit Extract helps prevent signs of aging and enables oxygen absorption.
- **SMOOTHS** - Vitamin C helps stimulate collagen to tighten and smooth.
- **BLOCKS** - Vitamin E helps block free radicals to reduce wrinkles and keep the skin youthful-looking.
- **HYDRATES** - Aloe Barbandensis Leaf Juice moisturizes to help with anti-aging

Available Sizes: 1 fl. oz.
Norvell Item No: 403396

Paraben Free • Gluten Free • Non-Comedogenic • Cruelty Free • Sulfate Free • 100% Vegan • Nut Allergy Free

HOW TO USE

In the palm of your hand, add 2-12 drops into your daily moisturizer and mix. Apply with an applicator mitt or your hand in a smooth, circular motion. Let dry before dressing. Allow 4-8 hours before getting wet. If more color is desired, put more drops into your moisturizer. Do NOT apply drops directly on your skin.
