

Tuscan Plus Handheld Spray Tan Solution

Norvell's newest Handheld Spray Tan Solution - Tuscan Plus, is designed with caramel brown and rose undertones to give a natural tan. Tuscan Plus is formulated with the Natural Color Complex™, an infusion of natural ingredients, to help improve skin's texture and hydration.

1 ALL ABOUT THAT BASE

All your sunless tans are based on the client's base skin color plus the active ingredient in the spray tan solution, DHA.

2 SAY GOODBYE TO THE SMELL

Norvell formulates with breakthrough odor control technology, Ordenone®, designed to virtually eliminate the odor commonly caused by sunless tanning products

3 PURPOSEFUL PACKAGING

- Norvell offers 2 size options to fill all needs: 8 oz. and 34 oz.
- Keep these stored in a cool environment, unexposed to heat or light to ensure you spray the most active solution possible.

4 NATURAL COLOR COMPLEX CARES FOR THE SKIN IN FOUR WAYS:

- **PREVENTS** - Tomato Fruit Extract helps prevent signs of aging and enables oxygen absorption.
- **SMOOTHS** - Vitamin C helps stimulate collagen to tighten and smooth.
- **BLOCKS** - Vitamin E helps block free radicals to reduce wrinkles and keep the skin youthful-looking.
- **HYDRATES** - Aloe Barbandensis Leaf Juice moisturizes to help with anti-aging

5 FINAL COLOR RESULTS
