## THE SCIENCE

- Patented Tri-Hydro Boost Complex™ contains three unique molecular weights that have been meticulously designed to target multiple layers of the skin, unlike common topical moisturize
- Active humectants such as glycerin draw moisture deep into the skin, providing immediate suppleness.
- Impacts multiple layers of skin, restoring the moisture barrier of the skin.
- Not your conventional moisturizer, this refreshing blend improves skin health maximizing long-term skincare performance.

## THE TECHNOLOGY

The uniquely fine-mist, infuses water into the inner cells of the skin helping to restructure the skins moisture barrier.

## THE RESULTS

Nourished skin with a glow!

## WELLFIT CARE

- All WELLFIT™ skincare treatments are made with natural ingredients that are always cruelty-free, paraben-free, 100% vegan, and non-comedogenic.
