

# HYDRATE

SERENE AND CALMING WHILE QUENCHING THE THIRST SKIN CRAVES.

Hydrates, moisturizes, soothes, and repairs the skin barrier of outermost layer of the stratum corneum.

Enhances overall skincare product performance, offering not just moisture but also improved efficacy for everyday products.

Fermented fractions of hyaluronic acid are specifically tailored to optimize the performance of skincare.

## THE SCIENCE

- Patented Tri-Hydro Boost Complex™ contains three unique molecular weights that have been meticulously designed to target multiple layers of the skin, unlike common topical moisturize
- Active humectants such as glycerin draw moisture deep into the skin, providing immediate suppleness.
- Impacts multiple layers of skin, restoring the moisture barrier of the skin.
- Not your conventional moisturizer, this refreshing blend improves skin health maximizing long-term skincare performance.

## THE TECHNOLOGY

The uniquely fine-mist, infuses water into the inner cells of the skin helping to restructure the skins moisture barrier.

## THE RESULTS

Nourished skin with a glow!
