

RECOVER

ENERGY BOOSTING WHILE ENHANCING SKIN VIBRANCY AND TEXTURE.

Essential minerals restructure the skin barrier for vibrancy, improved elasticity, and smoother texture.

Cooling sensation for an instant revitalizing recovery experience.

Refuels vital amino acids lost due to physical activity, for restorative health

THE SCIENCE

- Crucial electrolytes refuel fatigued skin post-activity, providing total body recovery and vital elasticity for skin that bounces back.
- The activated Nitro+Mineral Complex™ features a cooling blend that instantly energizes the skin's sensations to make it come alive.
- Vital minerals infuse with the skin to restructure vibrancy and texture for recovery.

THE TECHNOLOGY

Engineered in a customized quick step personalized spray system to replenish essential electrolytes lost during daily activities and workouts, offering a refreshing burst of cooling relief for instant revitalization. No mess, no lotions!

THE RESULTS

Full body energy!
