

ULTRA PRO CATALINA BRONZING SOLUTION FOR VERSASPA PRO™

Ultra Pro Catalina Bronzer Solution is formulated with a powerful blend of natural ingredients that rejuvenate, detoxify, firm and hydrate the skin. Catalina's miles of violet-hued coastal waters inspire an instant cosmetic bronzer that delivers cool brown with violet undertones for a deep, rich tan.

Ideal For All Skin Tones

BEAUTIFUL COLOR RESULTS

We test each batch of DHA to ensure quality and freshness for peak product performance. Catalina solution is formulated to create a flawless, natural-looking glow for every complexion.

PURPOSEFUL PACKAGING

VersaSpa offers all shades in 180 fl. oz. Bag-in-Box packages. Keep these stored in a cool environment, unexposed to heat and light to ensure you spray the most active solution possible.

SAY GOODBYE TO UNPLEASANT ODORS

Formulated with Odor-Ban200™ to virtually eliminate the common sunless tanning odor.

RESULTS

Cosmetic bronzer color will wash away with the first post-tan rinse. Tan will begin to develop within 2-4 hours after application, with full tanning results in 24 hours. For best results, avoid getting wet for at least 24 hours after application.

AVERAGE: 65-70 spray tans per BiB
