

ULTRA PRO MONTEREY BRONZING SOLUTION FOR VERSASPA PRO™

Ultra Pro Monterey Bronzer Solution is formulated with a powerful blend of natural ingredients that rejuvenate, detoxify, firm and hydrate the skin. Monterey's rich and deep sand vistas provide sanctuary to the coveted spas of the Monterey Peninsula. This instant cosmetic bronzer imparts warm brown undertones for a radiant, bronze, sun-swept tan.

Ideal For Customers Interested in a Classic, Sun-Swept Bronze Tan

BEAUTIFUL COLOR RESULTS

We test each batch of DHA to ensure quality and freshness for peak product performance. Monterey solution is designed to mimic a natural sun-kissed glow by enhancing the skin's existing warm hues.

PURPOSEFUL PACKAGING

VersaSpa offers all shades in 180 fl. oz. Bag-in-Box packages. Keep these stored in a cool environment, unexposed to heat and light to ensure you spray the most active solution possible.

SAY GOODBYE TO UNPLEASANT ODORS

Formulated with Odor-Ban200™ to virtually eliminate the common sunless tanning odor.

RESULTS

Cosmetic bronzer color will wash away with the first post-tan rinse. Tan will begin to develop within 2-4 hours after application, with full tanning results in 24 hours. For best results, avoid getting wet for at least 24 hours after application.

AVERAGE: 65-70 spray tans per BiB
