

ULTRA PRO CLEAR SOLUTION FOR VERSASPA PRO™

Ultra Pro Clear Solution is formulated with a powerful blend of natural ingredients that rejuvenate, detoxify, firm and hydrate the skin. Clear Solution contains no instant bronzers and is designed to give a natural tan that develops gradually throughout the day.

Ideal For Customers Interested in a Natural, Gradual Tan that Develops Throughout the Day.

BEAUTIFUL COLOR RESULTS

We test each batch of DHA to ensure quality and freshness for peak product performance.

PURPOSEFUL PACKAGING

VersaSpa offers all shades in 180 fl. oz. Bag-in-Box packages. Keep these stored in a cool environment, unexposed to heat and light to ensure you spray the most active solution possible.

SAY GOODBYE TO UNPLEASANT ODORS

Formulated with Odor-Ban200™ to virtually eliminate the common sunless tanning odor.

RESULTS

Tan will begin to develop within 2-4 hours after application, with full tanning results in 24 hours. For best results, avoid getting wet for at least 24 hours after application.

AVERAGE: 65-70 spray tans per BiB

ITEM #: 400547

FRAGRANCE: Lush Blossom

INFUSED WITH NATURAL INGREDIENTS

- Eco-Certified DHA and Erythrulose – naturally derived sunless tanning active ingredients give an extended, deep tan
- Mitostim – Brown Algae helps with skin oxygenation and detoxification for cellular rejuvenation
- Chlorellagen – Green Algae helps improve skin firmness and provides structure and support
- Aloe Vera helps rejuvenate and restore moisture balance to skin

PRE-TAN CARE

Prepare the skin with the Norvell® Glow System Pre-Tan eXmitt and Enhancing Primer products to gently exfoliate and balance pH levels prior to spray tan application.

POST-TAN CARE

Moisturize skin and prolong your tan with the Norvell® Glow System Post-Tan Self-Tanning Prolong Lotion and Face Lotion. Gently cleanse while balancing the skin's pH levels with the Norvell Glow System Post-Tan Shower Cleanser.
