beyond tan

GO BEYOND TAN™

With Versaspa Pro, you can help your clients look as good as they feel with rejuvenated, healthy skin and a beautiful tan. Versaspa Pro combines advanced skin care science and tanning technology to amplify the skin's inherent beauty.

This technologically advanced booth has three spray nozzles for even, full-body coverage. Voice guided instructions and four simple positions make for an easy tanning experience. Plus, warm drying passes between each spray keeps clients comfortable for the entire process.

Versaspa Pro is simple to operate, with just one hour of staff training. An intuitive touch screen makes it easy for a staff member to initiate the tanning process.
