

NORVELL

JUMBO MOBILE SPRAY ROOM

Largest mobile spray tan room on the market! Ideal for home, spa or mobile spray tanning and is easy to set up! Made of durable nylon with clear windows allow for maximum lighting for best results. Rear opening allows for placement of our Overspray Reduction Fan to assist in extracting overspray during sessions. Heavy duty vinyl floor protects from overspray and allows for easy clean-up between clients. Included with a durable nylon bag allows for easy professional transport when on-the-go. Dimensions: 86" high x 48" deep x 52" wide.
