Step 3: Add Treatments

Ask your salon staff about Perfector and Moisturizer treatments.

PERFECTOR
Balance your pH levels for a deeper, darker, and more even tan.

MOISTURIZER
Provides immediate hydration for the skin, locks-in and deepens color.

SPRAY TANNING INSTRUCTIONS

1

Undress to comfort level,
remove jewelry

Put on hair cap,
leaving ears and
hairline exposed

Apply blending cream to
hands, feet, and nails

Use sticky feet to keep
bottom of feet clean

NOTE: The FDA recommends wearing protective eyewear, nose filters, ear plugs, lip balm, and undergarments. Ask the salon staff for details.

2

Step into the booth. Wave your hand in front of the green light to start.
Audio instructions will walk you through the four easy positions.

3

Remove blending cream. Rinse with warm water only during first shower.
Keep your skin moisturized for a longer lasting tan.
