

COLOR. ARTISTRY. EXCELLENCE.

PROFESSIONAL PRE & POST SPRAY TAN ESSENTIALS BUNDLE

The Norvell Pro Spray Tan Essentials 3-Step product bundle is the spray tan expert's secret to providing optimal tan development and longer-lasting results for the most flawless, natural looking color.

STEP 1: PREPARE SKIN FOR SPRAY

PRE-TAN XLATAN™ PH BALANCING SPRAY

Boost amino acids and maximize tanning results for an even tan. Speed up the development of the tan by applying generously. Formulated with pure aloe vera juice to help improve the skins' natural firmness.

DIRECTIONS FOR USE:

Use prior to spray tanning application. Spray generously over entire area to be tanned. Gently rub into skin.

INGREDIENTS: Aqua (Water/Eau), Polysorbate 20, Serine, Alanine, Glycine, Lysine HCl, Threonine, Arginine, Proline, Glutamic Acid, Aloe Barbadensis Leaf Juice, Citrullus Lanatus (Watermelon) Fruit Extract, Camellia Oleifera (Green Tea) Leaf Extract, Solanum Lycopersicum (Tomato) Fruit Extract, Vaccinium Macrocarpon (Cranberry) Fruit Extract, Ascorbic Acid (Vit. C), Tocopheryl Acetate (Vit. E), Glycerin, Sodium PCA, Propanediol, Methyl Gluceth-20, Betaine, Xanthan Gum, Sodium Lactate, PCA, Phenoxyethanol, Caprylyl Glycol, Fragrance (Parfum), Citric Acid, Yellow 5/CI 19140, Blue 1/CI 42090

STEP 2: LIFT, SET, AND SEAL-IN COLOR

POST-TAN HYDROFIRM™ SETTING SPRAY

Norvell's new and improved Hydrofirm™ Moisturizing Setting Spray hydrates your skin and is designed to mimic a makeup setting spray! This innovative product will enhance that brilliant bronze. Our advanced color lock formulation will seal in your spray tan with minimal color transfer to clothes or bedding.

DIRECTIONS FOR USE:

Just after spray tan application, spray over entire area. Dries virtually instantly.

Spray Gun Application (Norvell Oasis, M1000 or Z3000): Dispense 2-2.5 oz. of Hydrofirm Moisturizing Setting Spray into a clean solution cup. Keeping the gun 6 inches from skin, spray in a smooth, sweeping motion immediately following the spray tan.

8 oz. Trigger Spray Application: Spray 4-6 inches away from the skin immediately following the spray tan.

INGREDIENTS: Aqua (Water/Eau), Alcohol Denat., Dimethyl Isosorbide, Acrylates Copolymer, Propanediol, Glycerin, Ascorbic Acid (Vit. C), Tocopheryl Acetate (Vit. E), Aloe Barbadensis Leaf Juice, Solanum Lycopersicum (Tomato) Fruit Extract, Vaccinium Macrocarpon (Cranberry) Fruit Extract, Xanthan Gum, Fragrance (Parfum), Polysorbate 20, Phenoxyethanol, Caprylyl Glycol

STEP 3: SMOOTH, LUXURIOUS AND TRANSLUCENT FINISHER

POST-TAN TAN-LUCENT™ DRYING POWDER

Use drying powder immediately after sunless tanning session. This powder dries skin and is ideal for use all over the body, as it doesn't settle into fine lines or pores.

DIRECTIONS FOR USE:

After a spray tan or self tanning application, a client may feel sticky in certain areas. This is not unusual, and should not cause concern.

For client comfort, Tan-Lucent™ Drying Powder may be used all over the body and extra tacky areas - under breasts and butt, behind knees, inside elbows and underarms.

Applicator Refilling: When refilling the Tan-Lucent™ applicator, do not overfill. This container offers 105+ applicator refills. Replace over-cap after each use, and store drying powder in a cool, dry place.

INGREDIENTS: Tapioca Starch Polymethylsilsesquioxane, Kaolin, Maranta Arundinacea (Arrowroot) Root Extract, Synthetic Fluorophlogopite, Iron Oxides/CI 77491, Potassium Sorbate, Tocopherol (Vit. E), Polymethylsilsesquioxane, Magnesium Stearate, Magnesium Myristate
