

ACTIVATE SOLUTION

CREATES A LONG-LASTING, NATURAL TAN

Give clients a natural-looking base tan that can be further customized with bronzers, scents and skincare treatments. When combined with Tan, Mystic Activate Solution will help to leave skin feeling supple and hydrated, while also providing a beautiful, bronze tone.

FEATURES & BENEFITS

- Skin-loving amino acids combine with the DHA in Tan Solution to accelerate tan development on skin
- D-Odor 200 dramatically reduces the common spray tan odor
- Tri-Hydration Technology helps to deeply moisturize skin and improve skin appearance
- Made with natural, cruelty-free, paraben-free, 100% vegan, and non-comedogenic ingredients.

THE TECHNOLOGY

Mystic Tan and Activate Solutions combine to create a natural, bronze glow with naturally derived, skin-loving ingredients. Clients can choose from 12 base tan levels that can be further customized with bronzers, scents and skincare treatments.

THE RESULT

A natural, bronze tone

SPRAY TAN CARE

- Wear loose, dark clothing to spray tan appointment to prevent color transfer while tan develops
- Avoid showering or getting wet (including sweating) for at least 6 hours post-spray tan
- Full spray tan results will be visible in 24-48 hours
- To extend results, moisturize daily after first post-tan rinse
- Avoid scrubbing, harsh soaps or exfoliating until ready to remove spray tan
