

SCENTS

**CREATES A MOOD-
BOOSTING EXPERIENCE**

Give clients a mood-boosting experience with scents. Featuring aromatic blends and essential oils, our fragrances are designed to perfectly customize each Unity session for every mood and occasion.

FEATURES & BENEFITS

- Positive Energy (403970) - An energizing blend of citrus essential oils to help you take on the day
- Focused Mind (403971) - An uplifting blend of Bergamot, Lavender and Sweet Orange essential oils to help you take on the day
- Vacay (403361) - A vibrant cocktail of juicy lemon, and pineapple, with hints of sea air and amber
- Warm Vanilla (403145) - Deep warm notes of vanilla, white orchid and sparkling sugar
- Coconut Lime (403142) - The ultimate summer refresher capturing just the right notes of a tropical island
- Fresh (403143) - Notes of citrus and spice
- Summer Dream (403144) - A light and refreshing blend of cypress, fresh vetiver and juicy yuzu fruit
- Made with natural, cruelty-free, paraben-free, 100% vegan, and non-comedogenic ingredients.

THE TECHNOLOGY

Unity sessions can be customized to each client's specific needs. Fragrances add the perfect finishing touch to each session, with a blend that matches every season, mood and occasion.
