

versaspa®

LipoTan Body Self-Tan Tightening Crème

3-in-1 Clinical Strength

Anti-Cellulite Body Firming Treatment
with a Glow

Key Ingredients:

Bodyfit –

Clinically proven to diminish appearance of cellulite and enhances skin firmness

Symfit 1617 –

3-in-1 anti-cellulite active is formulated to improve skin texture & provide long term anti-cellulite protection

Prolevis –

Provides instant skin firming

Natural DHA & Erythrulose –

develops a lasting glow

LipoTan *Tri-Plex* helps to reduce the visibility of cellulite by impeding the fat cells ability to expand allowing noticeably smoother and toned skin, while building a radiant glow.

SIZE 5.1 fl. oz./ 150 mL

Apply morning and night.
