

## Rejuvenate your Color!

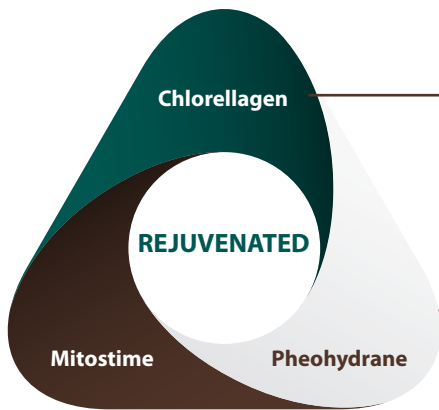

VersaSpa Catalina Bronzing Mousse transforms skin, for up to 1 week, with cool violet brown undertones for a deep, island tan. The luxuriously light and whipped mousse provides head-to-toe color for an even and beautiful tan.

### Features and Benefits:

- For all skin tones
- Odor-Ban 200™ technology virtually eliminates sunless tanning odor
- Cool brown with violet undertones for a deep, island tan
- Delicate enough for face and body

### Key Ingredients:

- **Eco-Certified DHA** – naturally-derived sunless tanning active ingredient
- **Eco-Certified Erythrulose** – naturally-derived; for a longer lasting, deeper tan
- **Glycerin** – naturally-derived moisturizer
- **Propanediol** – naturally-derived emollient that helps skin retain moisture
- **Methyl Gluceth-20** – naturally-derived emollient that helps skin retain moisture

Go **beyond tan™** with VersaSpa's unique blend of green and brown marine algae to **moisturize**, **oxygenate** and **detoxify** skin for a beautiful tan.

**Gluten Free • Paraben Free • Cruelty Free • Non-Comedogenic**

### Directions:

For an all-over tan, apply generously over body with applicator mitt or hand, in a smooth, circular motion. Wash hands directly after use. Use sparingly around feet, ankles, knees and elbows. Let dry before dressing. Allow 4-8 hours before getting wet.

### Go beyond tan™:

For a more intense tan apply **VersaSpa Intensifying Primer** before **Catalina Self-Tanning Bronzing Mousse** to balance skin's pH Level.
